MICROCHIP TECHNOLOGY TO PRESENT AT THREE CONFERENCES

CHANDLER, Arizona – June 5, 2017 -- (NASDAQ:MCHP) – Microchip Technology Incorporated, a leading provider of microcontroller, mixed-signal, analog and Flash-IP solutions, announced today that the Company will present at three conferences, as follows:

- The Stifel 2017 Technology, Internet & Media Conference on Tuesday, June 6, 2017, at 8:00 a.m. (Pacific Time). Presenting for the Company will be Mr. Steve Sanghi, Chief Executive Officer.
- The Needham & Company Automotive Tech Day on Tuesday, June 6, 2017 at 10:45 a.m. (Eastern Time). Presenting for the Company will be Mr. Ganesh Moorthy, President and Chief Operating Officer.
- The Bank of America Merrill Lynch 2017 Global Technology Conference on Wednesday, June 7, 2017 at 10:00 a.m. (Pacific). Presenting for the Company will be Mr. Steve Sanghi, Chief Executive Officer.

Live webcasts of these presentations will be made available, and can be accessed on the Microchip website at www.microchip.com. In conjunction with this conference, Microchip will be posting presentations to its website at www.microchip.com/investors in the Supplemental Financial Information section.

Any forward looking statements made during the presentation are qualified in their entirety by the discussion of risks set forth in the Company's Securities and Exchange Commission filings. Copies of SEC filings can be obtained for free at the SEC's website (www.sec.gov) or from commercial document retrieval services.

Microchip Technology Incorporated is a leading provider of microcontroller, mixed-signal, analog and Flash-IP solutions, providing low-risk product development, lower total system cost and faster time to market for thousands of diverse customer applications worldwide. Headquartered in Chandler, Arizona, Microchip offers outstanding technical support along with dependable delivery and quality. For more information, visit the Microchip website at www.microchip.com.
