

EU Declaration of Conformity

This declaration of conformity is issued under the sole responsibility of the manufacturer.

Manufacturer is Microchip Technology Incorporated located at 2355 West Chandler Boulevard, Chandler, Arizona 85224 USA.

The unit covered by this declaration is a development/evaluation tool which is designed to be used for research and development in a laboratory environment. The unit covered by this declaration is not intended to be a finished appliance, nor is it intended for incorporation into finished appliances that are made commercially available as single functional units to end users.

The unit covered by this declaration is in conformity with EU EMC Directive, 2014/30/EU (26 February 2014). In the event that the unit covered by this declaration does not have its own enclosure, the unit does not meet the definition of "apparatus" or "fixed installation" as defined by the Guide for the EMC Directive 2004/108/EC (8 February 2010); therefore the unit is not subject to this particular directive.

The unit covered by this declaration is in conformity with the RoHS Directive, 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

The unit covered by this declaration, when incorporating radio equipment, is in conformity with the RED Directive, 2014/53/EU (16 April 2014).

For information regarding the exclusive, limited warranties applicable to Microchip products, please see Microchip's standard terms and conditions of sale, which are printed on our sales documentation and available at www.microchip.com.
