

Important Information for Stockholders of Record of Microchip Technology Inc.

The 2001 proxy statement and Annual Report are available for viewing on Microchip's Internet site at <http://www.microchip.com>.

Receive future proxy materials electronically & save a tree!

Although you received your proxy materials by mail this year, you can choose to receive next year's proxy materials (annual report and proxy statement) electronically via e-mail. By choosing to become one of Microchip's future electronic recipients, you help support us in our effort to conserve valuable worldwide natural resources. At the same time, you will help Microchip control escalating printing and postage costs.

There are two easy ways to choose the electronic delivery option:

- 1) Mark the appropriate box on your proxy card.
- 2) Call Microchip's Investor Relations Department at 480-792-7761 and follow the recorded instructions.

If you choose the option of electronic delivery of proxy materials via the Internet, you will receive a proxy card by mail before the annual shareholders meeting next year, with instructions containing the Internet address to view those materials.

Your choice of electronic delivery will remain in effect until you contact Microchip's Investor Relations Department and instruct us otherwise. You do not have to elect Internet access each year.
