

**Microchip Technology Incorporated**  
**Supplemental Financial Information for the Quarter Ended June 30, 2019**  
**Amounts in \$000's**

**Microchip Technology Incorporated**  
**Revenue for Public Reporting**

| <b>GAAP Revenue by Geography</b> | <b>Q1 FY20</b>   |
|----------------------------------|------------------|
| Americas                         | 346,717          |
| Europe                           | 291,147          |
| Asia                             | 684,709          |
| Total                            | <u>1,322,573</u> |

| <b>GAAP Revenue by Product Line</b> | <b>Q1 FY20</b>   |
|-------------------------------------|------------------|
| Microcontroller                     | 708,214          |
| Analog                              | 386,434          |
| FPGA                                | 90,993           |
| Licensing, memory and other         | 136,932          |
| Total                               | <u>1,322,573</u> |
